> you to have a stub scythe here, and be cutting a few bushes along the fence while the horse is resting a short time ?" John, with quite as serious a countenance as the divine himself, said : "Wouldn't it he well, sir, for you to

"John, wouldn't it be a good plan for

have a tub of potatoes in the pulpit, and when they are singing, to peel 'em awhile to be ready for the pot?" The reverend gentleman laughed heartly and left.

WE clip from the news gatherings of the Cleveland Leader (Radical) the following, which is not very flattering as to the progress the blacks of Richmond, Virginia, are making in material presperity since the abolition of slavery :

"A directory recently published in Richmond gives in its local history of the city the singular and significant fact that three hundred and sixty eight houses in the city are owned by negroes, all of which were acquired while slavery existed, and no instance has occurred since the termination of the war of any negro purchasing or acquiring the ownership

of a house." A DIFFERENCE.-A policy, advocated by the Republicans, is coin, (gold and ilver) for the Bond-holders, who are exempted from all manner of taxatien, and onper for the mass of the people, who THE Rural Southerner hits off the are required to pay the Bond-holders'
